Reminders about Contracts and Experiential Learning

Students, if you have planned to either participate in Experiential Learning this semester or complete a contract for Honors credit, there is some important information you should be aware of!

If you are doing a contract, the proposal form must be submitted by February 2nd (this week)! Remember that in order to contract a course with a professor, you must speak with your instructor first before submitting a proposal. For specific questions, please contact your Honors Advisor.

Those of you planning to do Experiential Learning (xL) must submit your proposal forms by February 2nd at 5pm! Qualifying activities include internships, job shadowing, research not associated with a course, or performing arts groups (and so much more). Experiential Learning can be used to fulfill part of the General Honors Award and the Honors Degree for additional hours. For questions, please contact either Dr. Miller

(stephanie.j.miller@okstate.edu) or Katie Parr (kparr@okstate.edu). If you want to know if xL works for you, contact your Honors Advisor.
